

SIR JONATHON PORRITT

THE WORLD WE MADE: ALEX MCKAY'S STORY FROM 2050

"Learning to live sustainably on this planet is not an optional extra: it's a pressing imperative."

Join eminent author and renowned UK sustainability leader, Jonathon Porritt, at the launch of his latest book, *The World We Made: Alex McKay's Story from 2050*. It's a story that has one simple aim – to describe how we got our world back from the brink of collapse.
